EXECUTIVE SUMMARY

FID INTECH SDN. BHD. has been registered on 9th June 2009 with Company Registration Number of 200901017004 (860100-X). The company is led by leaders who are committed to explore opportunities to further elevate this company. The company also takes an open attitude to work with any party whether government or private to increase the potential of this company.

FID INTECH SDN. BHD. is a trading company established in 2009 in the realm of safety and security equipment, specializes in sourcing and providing cutting-edge military equipment in the domains of Information & Communication Technology (ICT), Ammunition (AMMO), explosives, and weaponry. The company's foundation rests on the pillars of innovation, professionalism, and integrity, and it has expanded its portfolio into complementary business sectors such as the supply of specialized military equipment, maintenance and service operations, and energy solutions.

Over the years, FID INTECH SDN. BHD. has achieved significant growth by cultivating strong business partnerships with renowned corporations worldwide, spanning Europe, the Middle East, and the CIS region. FID INTECH SDN. BHD.'s approach to success can be encapsulated in a straightforward philosophy.

"We are determined to be one of trusted and viable pioneers in line with technological modernization. Our company puts a reasonable price for each service and product offered in order to give customers the opportunity to get products in our company on an ongoing basis. We are confident of being competitive and continue to move towards greater glory in this business world."

PURPOSE OF COMPANY PROFILE

For the purpose of assessment by various agencies and companies to apply for subcon work requisition.

Introduce the services offered by the company at a reasonable cost and quality and in accordance with the set timeline.

Raise the company's image to be better known and trusted by customers.
